CATHOLIC LAY-EVANGELIST RICHARD LANE

Mr. Lane was born in Detroit, Michigan to Mary O. Alexander, retired educator and the late Dick "Night Train" Lane; NFL Hall of Fame Cornerback. Mr. Lane, Jr. attended Morehouse College in Atlanta Georgia and also served honorably for nearly six years in the United States Army Military Police Corps.

As a convert to the Faith in 2003, it was in early 2005 when Mr. Lane was lead to proclaim the Gospel as a Street Corner Evangelist. Since, Mr. Lane has been featured on "Catholic Answers Live", Ave Maria Radio, Relevant Radio, Our Sunday Visitor, the National Catholic Reporter, Sports Review Magazine, as well as Eternal Word Television Network's (EWTN) the "Journey Home" with Marcus Grodi and is the Co-Founder of Catholic Men for Christ Men's Conference in St. Louis, Missouri which continues to draw thousands of men each year.

A sought after Catholic speaker, Mr. Lane continues to evolve, bringing the Fire of the Holy Spirit with him in all of his talks and engagements not only to Catholic Churches, but also in numerous Baptist, Methodist and Inter/Non-Denominational churches across the country.

In full-time ministry, Mr. Lane is on the rise as a dynamic and Charismatic Catholic Speaker and Revivalist, conducting Parish Missions and Revivals across the nation- "Preaching, Teaching and Sharing the Word of God" in the truest spirit of ecumenism, focusing on the importance of Evangelization and ministering to thousands who are lost and in search of something greater than themselves; Jesus Christ!

Mr. Lane's dynamic and charismatic style of ministry is based upon three principles; Faith – Hope – Love; integrating these with the Sacraments instituted by Christ. He focuses on Reconciliation in an effort to bring about healing to so many who are lost and fallen away from His Church.

Richard is the proud husband of Donna L. Lane and father of beautiful daughter, K. Alexandria Lane.

Please visit CatholicEvangelist.net for more information on the preaching ministry of Evangelist Lane.
